

RECRUITING YOUR FRIENDS TO THE ENHANCE PROJECT

Thank you for agreeing to be part of this project. Paper clipped to this sheet are three coupons to give to people you personally know and have seen in the past 30 days. You should only give coupons to people you think will qualify for the project and will be interested in taking part in it.

The criteria includes:

- Must be at least 18 years old or older
- Have used drugs in past 30 days of screening

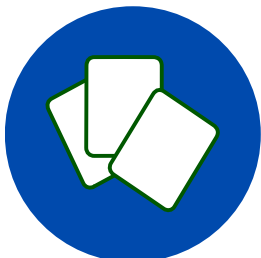

Things to know

- Each person you recruit should bring the coupon you give them to Vivent Health.
- If they're eligible and complete the baseline survey, they will get \$50.

- If the person you recruit is eligible and completes the baseline survey, YOU will be paid \$10 for that person.
- You should keep in mind that there is a chance that the person may not qualify, and we won't be able to tell you why.

- Each coupon has a unique number that is linked back to you. This is how we know you are eligible to be paid.
- If your coupons get lost or stolen, you may be able to get new ones.

This research project is being conducted by the University of Wisconsin-Madison in partnership with Vivent Health.
